A. ENTERING "ASSOCIATIONS" QUESTIONS (multiple choice)

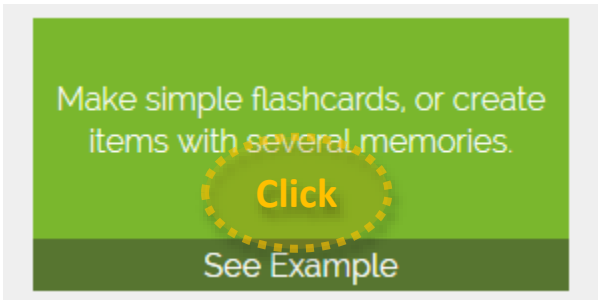

Associations
See Example
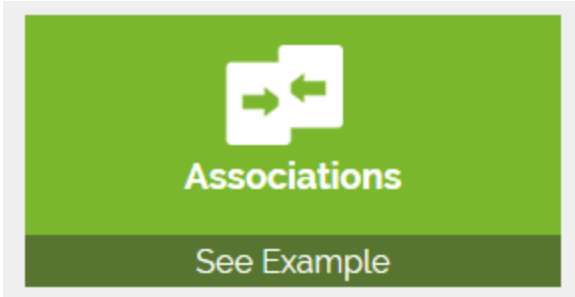

For the following example, we'll do a multiple choice question—"Associations" (green).

You'll be able to recognize a multiple choice question in the quiz file because the language is in a common question form and there is no _____ (blank space) indicating a missing word.

ASSOCIATIONS HAVE NO _____ (blank space).

Hovering the mouse pointer over the green box will reveal:

Make simple flashcards, or create items with several memories.
Click
See Example

CLICK the green box.

The Associations upload window opens.
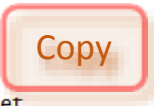

Ignore the Drag & Drop area.

You will be entering your question in the area marked "anchor text."

Locate the question you will be entering from the quiz set.

Quiz set:

Highlight the question with the cursor (avoiding the question number) and **COPY** it to the clipboard (**Ctrl + c**).

Copy

```
2. In what way have scientists Fritz Haber and Norman Borlaug helped to save more than a billion human lives on our planet?
CA - They developed hybrid agricultural crops and synthetic fertilizer that allowed us to produce adequate food for the planet.
Distractors
1. They developed a method of "patching" the holes in the ozone layer that have been caused by human emissions.
2. They designed a program for decoding encrypted communications about potential terrorist attacks around the world.
3. They developed medications to vaccinate people against HIV and AIDS in sub-Saharan Africa.
4. They developed a method for growing crops in the arctic tundra.

Notes
Fritz Haber and Norman Borlaug saved more than a billion human lives. They created the "Green Revolution" by producing hybrid agri
```
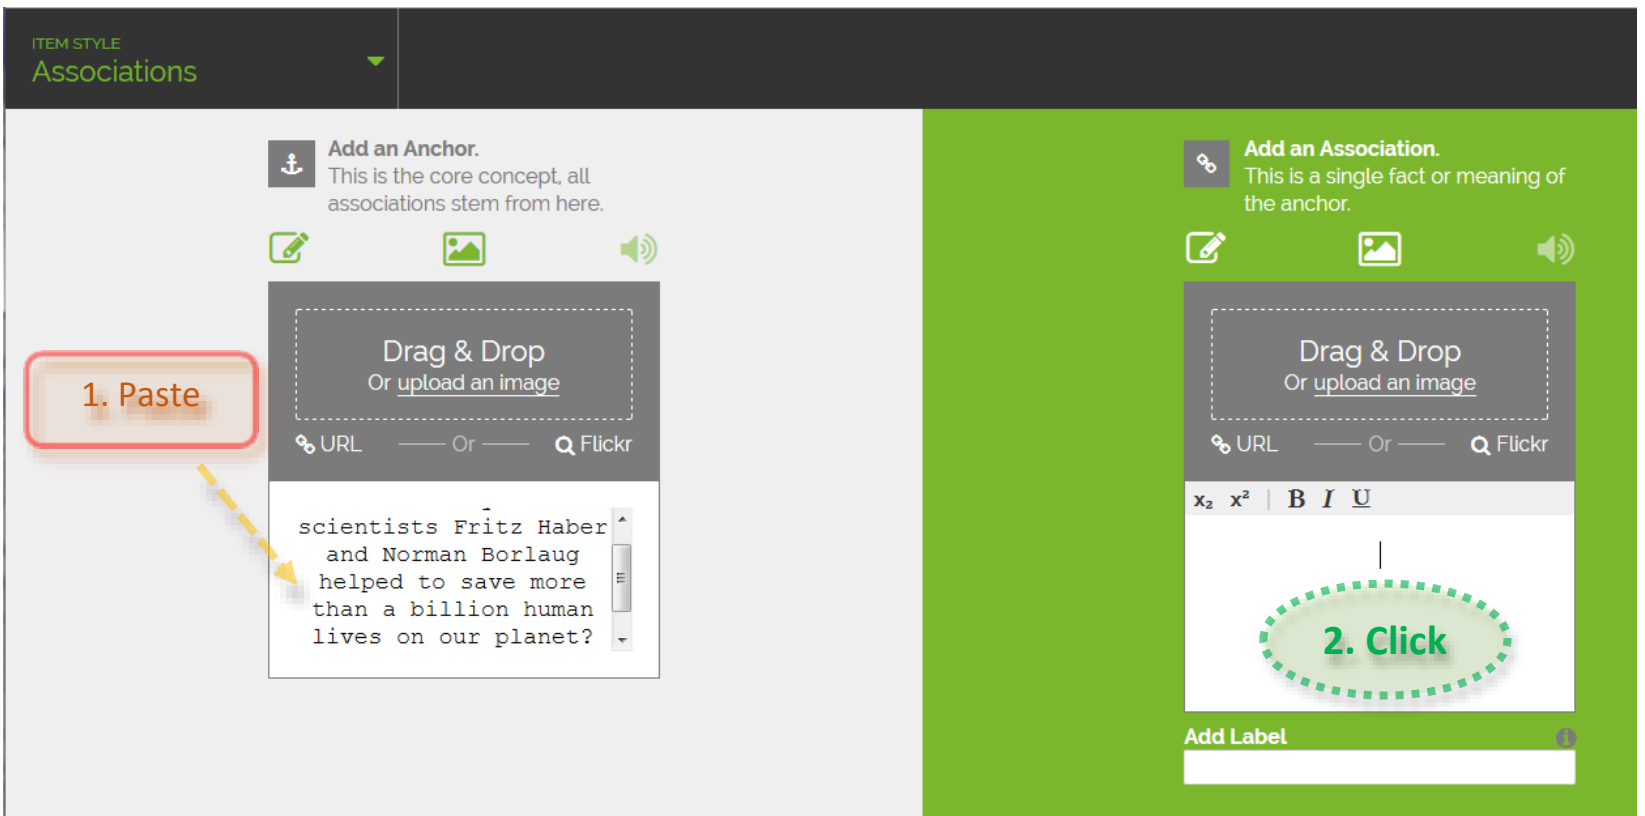

Return to Cerego:

In the "Add an Anchor" box, **CLICK** into the "**anchor text**" area.

PASTE the question (**Ctrl + v**).

In the "Add an Association" box, **CLICK** into the "association text" area.

Highlight the answer (labeled "CA") with the cursor and **COPY** it to the clipboard (**Ctrl + c**).

```

Cerego:

PASTE the question (**Ctrl + v**) in the "Add an Association" box (right side).

**CLICK** the orange "**Build Association**" button.

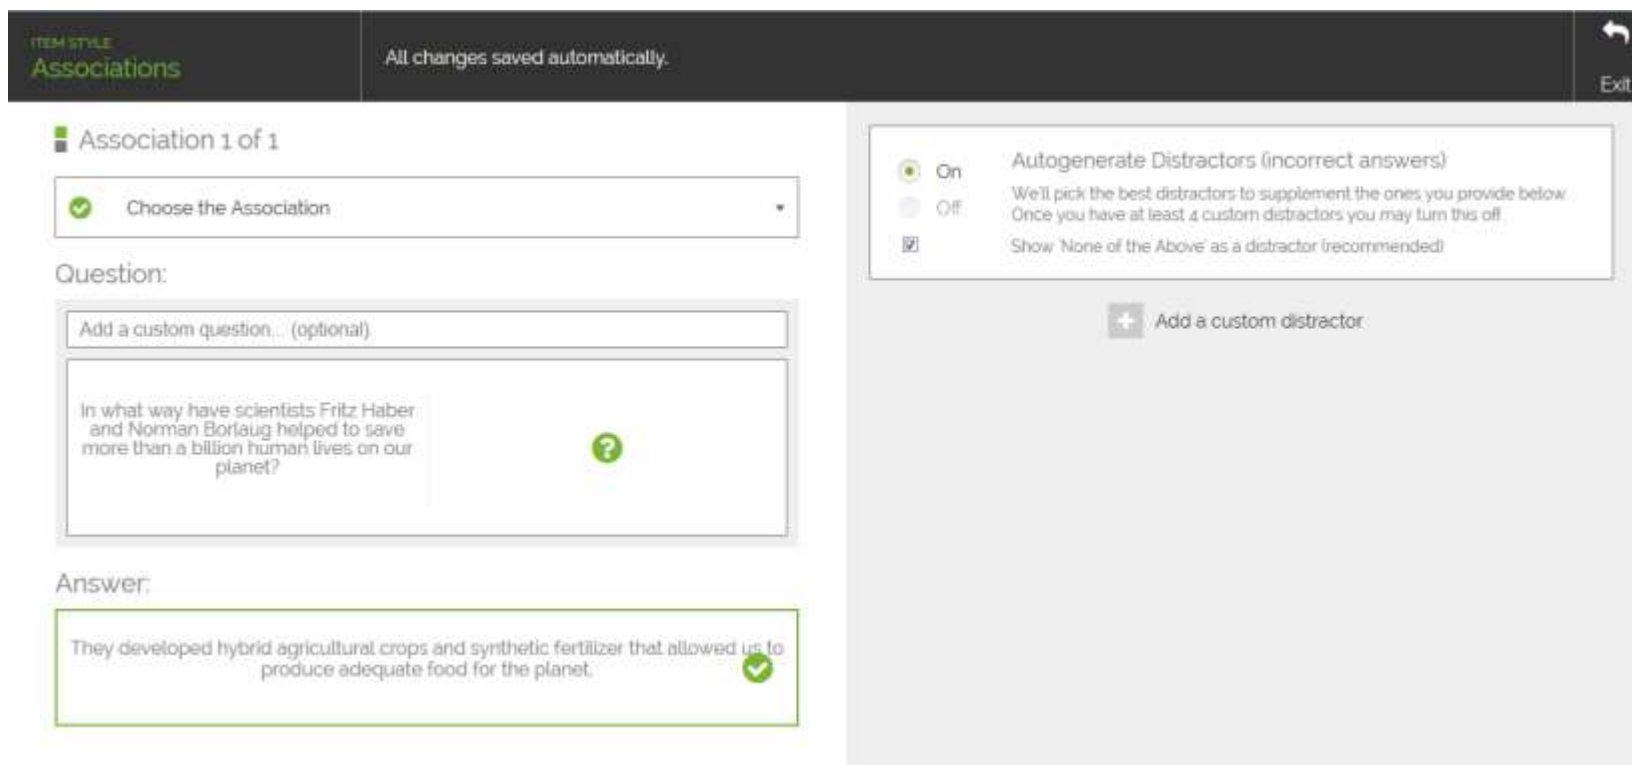

The Association edit page opens.

The right side displays the *question* (top) and the *answer* (bottom). (To edit either of these click the edit (pencil) icon next to it.)

In the "Present new content as:" menu (bottom left), ***SELECT THE "QUIZ FIRST" RADIO BUTTON***.

In the "Active Quizzes" menu, ***CLICK THE "CUSTOMIZE"*** icon (top left).

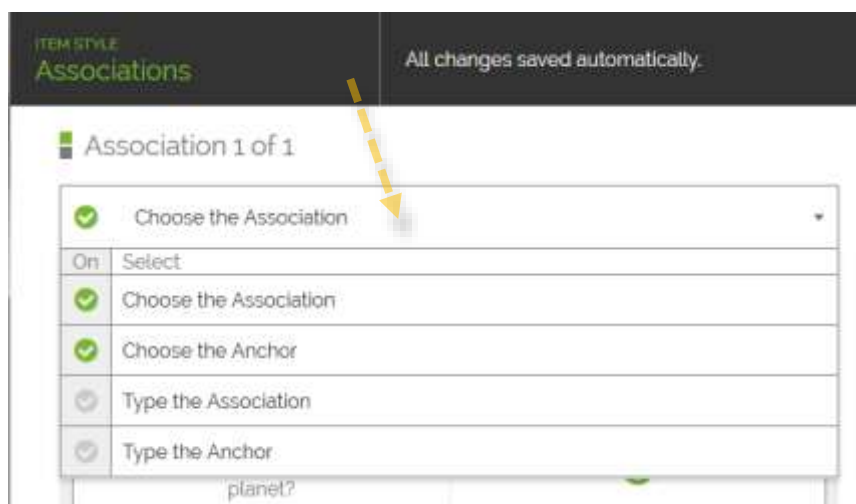

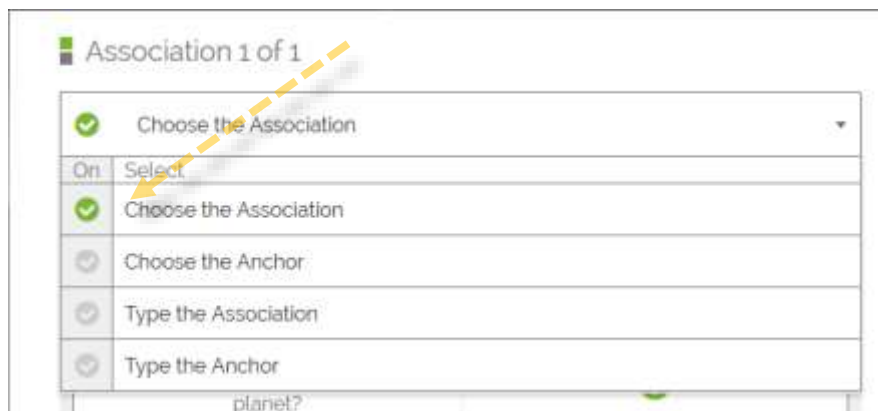

The Associations customization window opens.

CLICK into the "**Association 1 of 1**" **dropdown** menu.

The dropdown menu opens to reveal the default selections: "Choose the Association" and "Choose the Anchor."
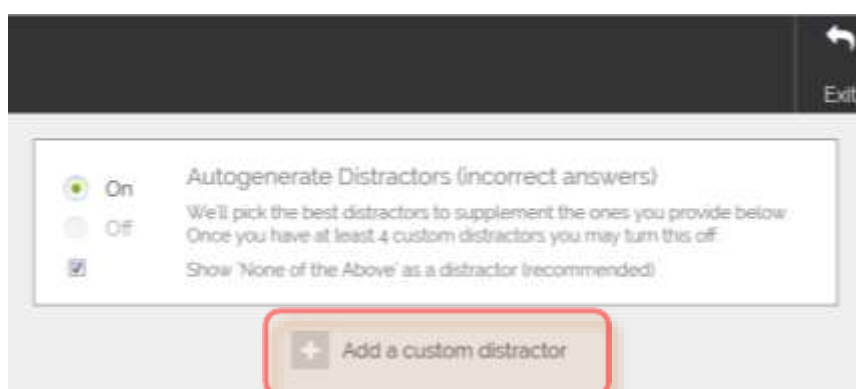

UNCHECK "**Choose the Anchor**."

"CHOOSE THE ASSOCIATION" SHOULD BE THE ONLY CHECKED OPTION.

The distractor pane is located on the right side of the screen.

SELECT the "**Add a custom distractor**" option.

A new distractor text field opens. This is where you enter the incorrect answers—called "distractors" by Cerego.

(There should be a total of 4 incorrect answers when you're done.)

CLICK into the text area marked "**distractor text**."
